**Randolph High School . . . It's A
Great Place To Be!**

**Randolph High School
Randolph, Massachusetts 02368**

Our Oracle portrays a quick glance at the classes, activities, and events which will remain in the memories of the Seniors of the class of 1991 of Randolph High School.
It is a Great Place to Be.

Often times, each day at the high school is likely to be the same as any other. However, it manages to have a character that sets it apart. The daily routine of homeroom, classes and study, lunch, and meetings or practice after school seldom changes.

None the less, some particular feature such as Activity Periods, In-Service Days, a rally, Multi-Cultural Day, Earth Day, The Randy Awards or Class Day marks each day as separate in our memories.

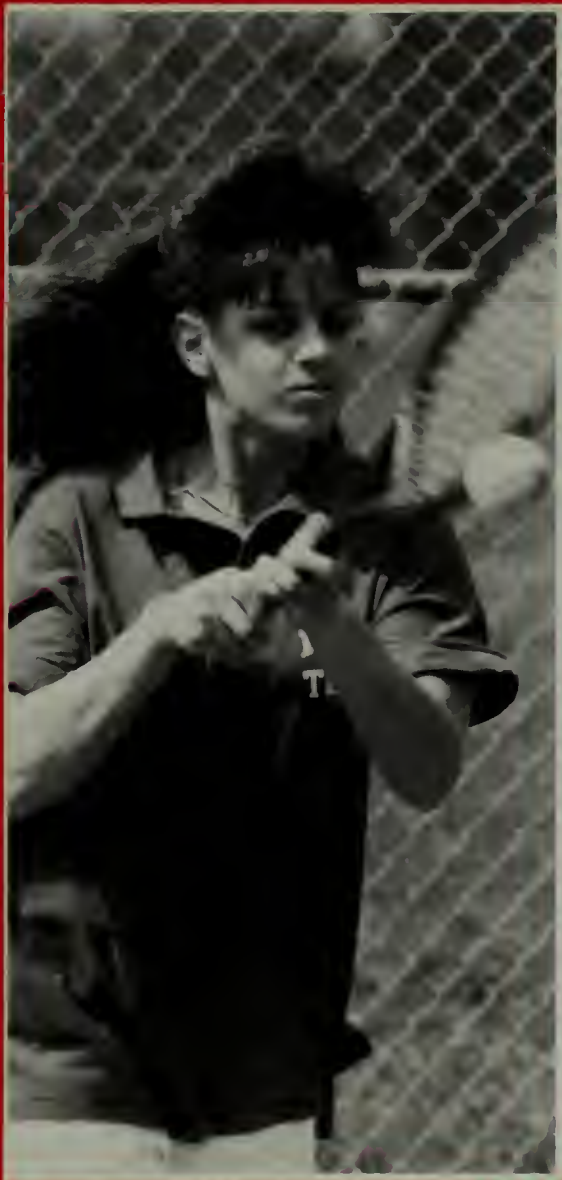

At Randolph High School, there is a diversity of student types. Seniors who were born in various parts of the world and Seniors from various ethnic, religious, and racial backgrounds have merged together forming a new school society. Differences tend to disappear although each group retains its individuality.

R.H.S. is an institution of learning which recognizes and respects academic, athletic and social achievement. Our academic growth is inspired by our faculty and their efforts. Their enthusiasm and experience give direction to the students.

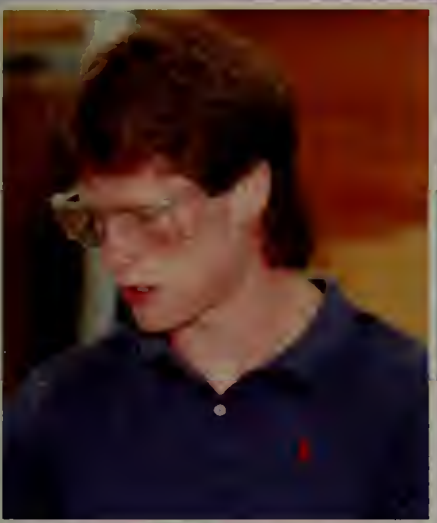

Whether on the field, on the court, on the ice, or on the track, sportsmanship is recognized. The Athletic Program at R.H.S. provides a giant step toward maturity. The desire to win is coupled with the will to play according to the established rules.

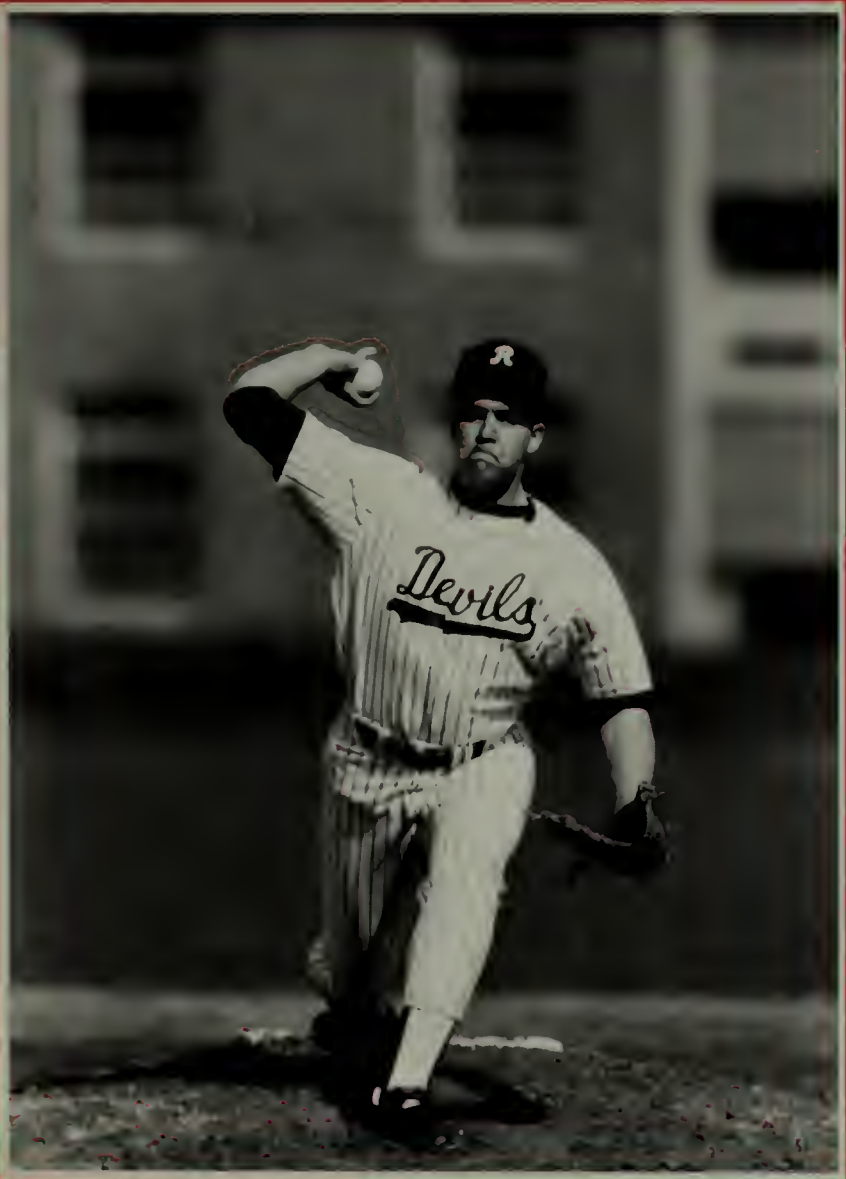

Most students participate in clubs for social benefits, but their participation is often a valuable services to the school and a learning experience for them.

PRINCIPAL'S MESSAGE

Dear Class of 1991:

Congratulations to you and your families on your graduation from Randolph High School.

In Appreciation

Mr. Donald J. Nelson

The Class of 1991 salutes Mr. Donald J. Nelson. Teacher of English for 32 years and Director of Drama for 20 years, Mr. Nelson has given unstintingly of his time, of his talents, and of his caring. In a letter of nomination for the award of Tufts University Secondary Teacher of the Year, a former student wrote of Mr. Nelson, "From the first day of my sophomore English, to the last day of my senior year, there was one teacher who was instrumental in the development of my academic and humanistic potential . . . Donald Nelson. To me, Donald Nelson stands as an inspiration and a motivator; a true teacher and a true friend."

The Class of 1991 honors you, Mr. Nelson. You are truly Gibran's "teacher who walks in the shadow of the temple, among his followers, who gives not of his wisdom but rather of his faith and his lovingness . . . who does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind . . ."

Rah, Get away from me.

We'd rather be head-banging!
